#### OUTREACH

We continue to pursue various opportunities of outreach to our community. Thanks to those who prayed for our last Coffee Drop-in. We have begun to see several non-Christian friends attend our drop-ins, which provides a neutral setting for getting to know them better and address spiritual matters. **Please pray** that the Lord would open their hearts to receive the truth of the gospel.

**Thank you for praying** about the possibility of working in the high school inclusion center. I began assisting in one class of year 10 boys this week, with the possibility of helping in other classes as well. For my first time helping, I thought it went well. However we spent the hour playing football,

as the teacher was out sick! **Please pray for wisdom** for translating these school contacts into gospel opportunities. Obviously, there are limitations on what kind of ministry I can have in the school, so please **also pray** that my involvement in the school will open doors for further ministry contact outside of school.

#### LOCAL CHURCH

We have been encouraged to see a slight increase in attendance in our services lately. One woman who has recently begun attending has said that she finds the preaching to be helpful, although it is unclear whether she is a genuine believer. **Please pray** for the non-Christians who attend our services, that the Lord would open their hearts to believe the truth of the gospel.

For the weekend of May 15-16 we are hosting a speaker who specializes in the subject of creationist science. **Please pray** that believers would be strengthened in their faith and that the sessions might also draw the unsaved.

EASTER SUNDAY DRESSES!

#### FAMILY MATTERS

Many of you have probably already heard the news, but we are expecting a baby, due the 15<sup>th</sup> of October. **Please pray** for good health for Marcia and the baby. The two big sisters are very excited about having a baby brother or sister.

Sincerely,

The McLean family
