

the MISSIONARIES TO WALES  
MCLEAN family

JUNE 14, 2010

RECENT EVENTS

We were encouraged by the outcome of our recent creation-science meetings, held in mid-May. We were excited to be able to get our visiting speaker in to speak to some students in the high school, which was a real answer to prayer. And perhaps most encouraging was the sight of many of our church folks who gave their support and help. We had a good number in our two Saturday sessions, and there was at least one non-Christian there. **Please pray** for follow-up opportunities in the school especially.

OUTREACH

We have several different outreach efforts in mind as we head into the summer months. The Abergele Carnival will be held on Saturday, July 3<sup>rd</sup>. We plan to use space at the carnival – held in our town’s main park – to host some children’s games as well as set up a literature table. **Please pray** that this outreach would be effective in building contacts for ministry and that some folks would accept the literature we offer. Also, **please pray** for an open door with children and young people in our town, as we are hoping to increase our ministry among those groups this summer.

FAMILY MATTERS

Our family has experienced several highlights recently. First, the Lord gave us a restful five-day holiday in the south of England earlier in May. We enjoyed visiting another part of the UK and were refreshed by the down time. Also, our family has celebrated three birthdays and one wedding anniversary in recent weeks, with the result being that in our home we now

THE THREE MCLEAN GIRLS

have one proud four-year-old and two parents who are one year older and wondering where the time has gone! We are very thankful that Marcia’s pregnancy continues to go well. **Please pray** that the Lord would give her strength and that the Lord would grant health and safety to her and the baby.

Again, thank you for your prayers.

Sincerely,

The McLean family

Ongoing Prayer Requests

- Growth in love and gospel-centered unity among the believers in our church
- Open doors for the gospel and boldness for witnessing
- Wisdom for rearing our children for the glory of God
- Wisdom in dealing with recent changes in requirements for our visas.
