

the MISSIONARIES TO WALES
MCLEAN family

SEPTEMBER 10, 2010

Greetings everyone! Thanks for your continued prayers for us here in North Wales. It has been a busy summer, but the Lord has given the grace we have needed.

OUTREACH

Please ask the Lord to bless our efforts this Saturday, September 11, as our church hosts a stall in our town's "Medieval Fayre." Our stall will consist of a small tent sheltering a literature display, with various people from our church manning the stall for the afternoon. **Please pray** that we would be able to make helpful contact with people in the community and that the Lord might use our efforts to open doors for the gospel. Also, on Friday, September 10, I will begin volunteering every Friday morning in a high school program for struggling students. I will be working with two different groups each week, totaling 28 students. **Please pray** for wisdom to make the most of this opportunity for

the sake of the gospel. Since it is a school activity (although off-site), evangelism is officially off-limits, unless initiated by the students themselves.

RECENT EVENTS

Thank you for praying for our Holiday Club. We had around 15 kids attend each day, which was roughly twice as many as we had attend the previous year. We were thankful for the turnout and believe that the effort was well spent. Our only disappointment was that we did not have more children from unchurched families, which was our main target. However, we are seeing that "formal" ministry attempts must be preceded by the forming of relationships if they are to find any reception. **Please pray** for patience and open doors for forming relationships with families in our community.

FAMILY MATTERS

We are now about four weeks away from the birth of our third child. We are excited and more than ready for the baby to come! **Pray especially**, for Marcia, that the Lord would give her grace and strength in these next four weeks.

SUMMER FUN!

Also, we are pleased to report that, as far we know, we should have everything in hand to secure the renewal of our visa in November. **Please pray** for the process to go smoothly and that we would be able continue serving here in Wales. Again, thank you for your prayer support. The Lord continues to supply all our needs and sustain us here in Wales.

Sincerely,
The McLean family

Ongoing Prayer Requests

- Growth in love and gospel-centered unity among the believers in our church
- Open doors for the gospel and boldness for witnessing
- Wisdom for rearing our children for the glory of God
